

Revised Lewisham and Lee Green Low Traffic Neighbourhood

In response to issues and feedback from residents, we made changes that we anticipated would ease traffic congestion on Hither Green Lane and at key junctions with the South Circular.

1. On **Manor Lane** the existing camera was adjusted to allow vehicles to pass through in both directions, except heavy goods vehicles (HGVs).
2. On **Manor Park** the existing camera was adjusted to allow vehicles to travel northbound (towards Lee High Road). The camera continues to enforce vehicles who try to travel southbound.
3. 4. The existing cameras on **Emmersdale Rd** and **Dermody Rd** were adjusted to allow vehicles to travel one-way west to east (from Hither Green towards Lee Green). The camera continues to enforce vehicles who try to travel east to west (from Lee Green towards Hither Green)
5. On **Leahurst Road** the fire gate was removed to allow vehicles to travel west to east (from Hither Green towards Lee Green). A new camera enforces this restriction. The width restriction was replaced by a 7.5 tonne weight restriction which is also enforced by camera.

- Pre-LTN filters
- LTN planter filters
- Camera enforced restriction. Access for emergency services, local buses and cycles
- Lewisham to Lee cycleway
- Borough boundary
