

LEWISHAM CHECKLIST FOR APPROVAL OF DETAILS

The following information (on both the national and local list of requirements) in the validation checklist must be submitted with your application for it to be accepted as valid. We encourage you to submit your application online using the Planning Portal. If you choose to post it, please provide 2 copies of hard documents or 1 copy of hard documents and a CD with plans no larger than A3 and to scale. If any of the required information is not submitted with your application, you should submit written justification as to why you consider it is not appropriate in the particular circumstances of your proposed development. If an application is submitted without meeting these requirements, it will not be validated and will be returned to you. The guidance below provides more details on the kind of information that needs to be submitted for the matters referred to in the list.

NB - This local list does not limit the council's ability to request additional information in the event that further issues arise during the determination period, and are considered to be a material consideration in the determination of the application.

Pre-application Service

The Council offers a Pre-application Service through which you can discuss your proposals with a planning officer and receive advice on the validation requirements for your application. Further details can be found on our website: <https://www.lewisham.gov.uk/my services/planning/apply-for-planning-permission/get-planning-advice/pre-application-advice-and-PPA/Pages/default.aspx>
