Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

Town and Country Planning Act 1990

Publication of planning applications on planning authority websites

Please note that with the exception of applicant contact details, the information provided on this application form and in supporting documents may be published on the authority's website.

If you have provided any other information as part of your application which falls within the definition of personal data under the Data Protection Act which you do not wish to be published on the authority's website, please contact the authority's planning department.

Please complete using block capitals and black ink.

You must use this form if you are applying for work to trees protected by a tree preservation order (TPO). (You may also use it to give notice of works to trees in a conservation area).

It is important that you read the accompanying guidance notes before filling in the form. Without the correct information, your application / notice cannot proceed.

1. Applicant Name and Address	2. Agent Name and Address

7. Identification Of Tree(s) And Description Of Works continued			
8. Trees - Additional Information			
Additional information may be attached to electronic communications or provided separate	ly in paper fo	ormat.	
For all trees			
A sketch plan clearly showing the position of trees listed in Question 7 must be provided when app by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation a			
It would also be helpful if you provided details of any advice given on site by an LPA officer. For works to trees covered by a TPO			
Please indicate whether the reasons for carrying out the proposed works include any of the following must be accompanied by the necessary evidence to support your proposals. (See guidance notes			
 Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall: If YES, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert. 	Yes	☐ No	
Alleged damage to property - e.g. subsidence or damage to drains or drives. If YES, you are required to provide for:	Yes	☐ No	
Subsidence A report by an engineer or surveyor, to include a description of damage, vegetation, monitoring data, soil, roots and repair proposals. Also a report from an arboriculturist to support the tree work proposals.			
Other structural damage (e.g. drains, walls and hard surfaces) Written technical evidence from an appropriate expert, including description of d	lamage and po	ossible solutions.	
Documents and plans (for any tree) Are you providing separate information (e.g. an additional schedule of work for Question 7)?	Yes	☐ No	
If YES, please provide the reference numbers of plans, documents, professional reports, photogra If they are being provided separately from this form, please detail how they are being submitted.		pport of your application.	

Only one copy of the application form and additional information (Question 8) is required. Please use the guidance and this checklist to make sure that this form has been completed correctly and that all relevant information is submitted. Please note that failure to supply precise and detailed information may result in your application being rejected or delayed. You do not need to fill out this section,				
but it may help you to submit a valid form.		,		
Sketch Plan				
 A sketch plan showing the location of all trees (see Question 	ו 8)			
For all trees (see Question 7) • Clear identification of the trees concerned				
A full and clear specification of the works to be carried out				
For works to trees protected by a TPO (see Question 8)				
Have you:				
stated reasons for the proposed works?				
 provided evidence in support of the stated reasons? in particular: if your reasons relate to the condition of the tree(s) - written evidence from an appropriate expert 				
 if you are alleging subsidence damage - a report by an 	appropriate engineer or surveyor			
 and one from an arboriculturist. in respect of other structural damage - written technical evidence 				
 included all other information listed in Question 8? 				
10. Declaration - Trees /we hereby apply for consent/give notice for tree work as described	in this form and the accompanying plans	and additional information.		
Signed - Applicant:	Or signed - Agent:			
Date (DD/MM/YYYY): (This date must not be before the date of sending or hand-delivery of the form)
