- If this is the first time you are using the eAdmissions website you must register to apply online.
- You will need an email address to register, but don't worry if you do not have one. You can sign up for a free Google mail email account on the eAdmissions site.
- We recommend Google Mail. However, if you already have an email address you should set your spam/junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox. **You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.**
- You can also sign up to get notifications during the admissions process either by text message or by downloading the 'ParentComms' mobile App.
- It is important that you register well before the deadline, in case there are any problems making your application. The closing dates are:

31 October for Secondary & 14/19 applications

- Once you have registered on the eAdmissions site, we will send you an email with your **username** and instructions to follow regarding validating your email address.
- If validation is successful you will be sent a second email with your **password**.
- Please keep these safe as you will need them to login and apply for any other children you have, and to see the outcome of your application. March for Secondary & 14/19 applications and April for Reception and Junior applications.
