The Panel concluded this was a good review in which there was good family engagement.	Noted	Noted
Consider whether the report could be a little more concise.	No comment	N/A
It would be helpful if the report could explain why there was no mental health investigation undertaken.	For Chair to respond	There was a mental health investigation undertaken – see paragraph 1.5.1 and 4.3.32
There is no information on why the perpetrator was permitted leave unsupervised.	For Chair to respond	I believe this is covered in the section on SLaM, 4.3.
No cause of death is given.	For Chair to respond	Provisional cause of death given by the post mortem (as per Police IMR) was head trauma. Would need to ask police to look into what the final outcome was.
The action plan needs updating as all the target dates for completion are June 2017.	To be completed by the CSP	N/A
