Dear Sir/Madam

LEWISHAM COUNCIL – DEVELOPMENT MANAGEMENT LOCAL PLAN PROPOSED SUBMISSION CONSULTATION

Thank you for your recent consultation on the above.

We would like to offer our support to the inclusion of Policy DM39, within the Development Management Local Plan. We welcome the inclusion of this policy within the LDP to facilitate telecommunications development and support its provisions which we find to be generally in accordance with the guidance within National Planning Policy Framework (NPPF) relating to both development planning and to support for communications infrastructure.

We trust you find the above comments of assistance. Please do not hesitate to contact me should you wish to discuss this further or wish to arrange a meeting.

Yours faithfully
