Dear Sir/Madam

Lewisham Town Centre AAP - Submission Draft Consultation

We write in order to make comment on the above named document. Please note that we act on behalf of the London Fire and Emergency Planning Authority (LFEPA) and that this representation is made on their behalf. For your information, Lewisham Fire station falls within the boundaries of the subject area of this document, located at 249/259 Lewisham High Street, SE13 6NH.

We wish to point out an error in the drafting of the report, under point 4.33 (page 59). The policy document currently states that the current fire station falls within the Ladywell Town Centre area. Please note that according to the Town Centre Area boundaries shown on Figure 3.2 (page 32), the fire station is excluded from this area.

We request that we be kept informed of progress with this report, plus all further planning documents. In the meantime, please do not hesitate to contact Mel Barlow-Kay if you wish to discuss the above, or require any further information.

Yours faithfully

Don & Wright
