Dear Sirs

**REPRESENTATION ON BEHALF OF THE MAYOR'S OFFICE FOR
POLICING AND CRIME / METROPOLITAN POLICE SERVICE
SITE ALLOCATIONS LOCAL PLAN – SCHEDULE OF MAIN AND
ADDITIONAL CHANGES**

I write on behalf of our client the Mayor's Office for Policing and Crime / Metropolitan Police Service with regard to the Site Allocations Local Plan Schedule of main and additional changes. Previous representations were made to the Further Options version on 6 December 2010 and Proposed Submission on 23 April 2012. These representations recommended the inclusion of Brockley Police Station and Sydenham Police Station within the Site Allocations DPD for residential-led mixed-use development. The Council rejected these representations on the grounds that they had identified sufficient land to meet their housing needs.

The Council response to our representations stated: *'These sites were not included in the Proposed Submission DPD as they are currently unavailable for development. It was considered that the sites could come forward as windfall sites at a later date'*. This is considered unacceptable as the sites will come forward for development in the lifetime of the Site Allocations Local Plan.

The Mayor's Office for Policing and Crime (MOPAC) wish to pursue the inclusion of these sites in the Site Allocations Local Plan and will seek to support their inclusion at the Examination in Public.

I trust this is appropriate and we will be kept informed of the EIP timetable in due course. Should you have any comments or queries please contact either Brian Coughlan or me to discuss them further.

Yours faithfully

**John Smith
Senior Associate Director**
