Subject: Catford Pre Sub

Our Ref.: A/5326

Catford Town Centre Local Plan Proposed Submission

Please check your database arrangements as we were not consulted on the five documents sent out by letter on 16 August. My neighbour in New Cross is on your database and received the letters so I was able to request that The Theatres Trust be consulted. An email reminder to your database consultees might be helpful.

We find the document to be sound and are pleased that The Broadway Theatre will be improved. Please keep us advised of future consultations
