## KEY TO REGISTER OF HIGHWAYS, ROADS AND FOOTPATHS

<b>Column 1 - Street Name or Description</b>	The name listed is generally the Designated Street Name (DSN). Where a street or other highway has no DSN, a Street Description is included (in italics): this will generally indicate its location or, in the case of a footpath, its extents.		
<b>Column 2 - Status</b>	Where there is no entry, the street is a Highway Maintainable at the Public Expense: i.e. a Public Highway. On some streets, the maintenance responsibility may vary along its length - refer to Column 6 for details of extents.		
	Bdy	-	Part of the street is at the boundary between Lewisham and an adjacent Borough – the boundary either crosses the street or is at the centre-line of the street. See Column 6 for details of maintenance responsibilities.
	Hous	-	Street is a London Borough of Lewisham Housing Estate Road, maintained by Lewisham Homes or a Housing Association. According to the Highways Act, this will either have the same status as a Non-maintained Highway or as a Private Road.
	N.M.	-	Street is a Highway that is NOT MAINTAINED by the Highway Authority - maintenance is usually the responsibility of the Frontagers but should be determined by Land Registry search if required.
	Park	-	A footpath or cycle path through a public park, maintained by LBL Grounds Maintenance Division. See Column 6 to determine whether it is a Public Highway.
	Pend	-	The street has been proposed for adoption but a Legal Agreement has not yet been signed. Until an agreement is made, the street has Private status.
	Priv	-	Street is a Private Road - details of the maintenance liability are indicated, if known, but are generally not available.
<b>Column 2 - Status, cont'd :-</b>	S38	-	Street is subject to an Agreement between a Developer / Owner and London Borough of Lewisham under Section 38 of the Highways Act (1980). The agreement is not yet completed, so the maintenance of the street is currently the responsibility of the Developer / Owner. It IS a Public Highway.
	TfL	-	Street is the responsibility of Transport for London. If TfL (Pt) is shown, refer to Column 6 for details of the extent of TfL's responsibility.
	PRoW	-	Public Rights of Way
<b>Column 3 - Road No. / Class :-</b>	Where there is no entry, the street is Unclassified. Where more than one Road No. or "(Pt)" is shown, refer to Column 6 for details of the extent of each Classification.		
	A* or B*	-	Classified Road No.
	Cl. III	-	Road is Classified as Class III.

## KEY TO REGISTER OF HIGHWAYS, ROADS AND FOOTPATHS
