

LB Lewisham

Head of Strategic Development - up to £85,533

Lewisham is an exciting and vibrant inner London borough with award winning parks and open spaces, great transport links and a thriving cultural scene. We are one of the fastest growing boroughs in London and have ambitious plans to deliver our largest social housing and town centre renewal programme in a generation.

You will direct and manage our housing development and renewal programmes. Driving the agenda on the Council's key priority, you will lead a team of professionals delivering the Council's housing and regeneration schemes. You will work closely with Lewisham Homes and other delivery partners ensuring our objectives are fully realised on time and within budget.

We have the land, the corporate commitment and the resources with a strong pipeline already in place that you will grow. You will have experience of large-scale development and regeneration, excellent stakeholder skills and an understanding of working in a political environment.
