8	24/04/2024	4.00	Open	Martin Ryan, Head of Environment	Bin chutes - not for for purpose, consider closing them and providng alternative means for domestic waste disposal. Waste containerisation, increasing recycling on estates.	We are working closely with colleagues in the Place Directorate on the rollout of food waste collection to all estates by May 2026. We are already exploring some sites to pilot chute closure in tandem with the rollout. We intend to engage residents as the rollout continues area by area. In many sites, chute closures will require the creation of waste and recycling hubs outside blocks.	We are continuing to review the need for chutes in harmony with the food waste roll, or when other opportunities arise. The pliting of the closure of chutes in two blocks on Hillcrest is working well and recycling rates have increased.	31/05/2026
