

MOBILE THERAPISTS

A Mobile Therapist is defined as a therapist who visits clients in their own homes and does not operate from fixed premises.

Mobile therapists are not required to hold a licence to operate. However, therapists working within the London Borough of Lewisham are required to register with the Council and provide certain information, in line with the requirements for therapists working in licensed premises.

Please complete the attached registration form and return it to us along with the following:

- One passport-sized photograph
- Copies of qualification certificates
- Hepatitis B certificate (if undertaking tattooing)
- CV detailing relevant work experience (if undertaking tattooing)
- Copy of public liability insurance (if held)

Please note:

- If qualifications were obtained outside the UK, they must be verified as being equivalent to NVQ standard.
- There is no fee for registration.
