Who is this document for?

This document is designed to help guide parents and carers who are resident in the Lewisham borough through the admission process for starting primary school in September 2026.

This information is also available online at

lewisham.gov.uk/myservices/education/schools/school-admission/applying-to-start-primary-school.

If you have any questions about the admissions process, call the Admissions Team on 020 8314 8282 (Monday to Thursday, 10am-12pm and 2-4pm, Mondays only)

Information provided in this document is subject to change by the Government or the Schools Adjudicator.

Any amendments will be published at lewisham.gov.uk/admissions.

Applying for a Reception place

We coordinate applications for Reception places in primary schools in the Lewisham borough.

This information is intended for residents of the Lewisham borough. If your child lives outside the borough, you are welcome to apply for schools in Lewisham but must do so through your local council.

You must apply for a primary school place through your local council. If you live outside the borough, you must apply through your local council via www.eadmissions.org.uk.

If you are applying under the religious criteria for a place at a faith school or a school which is its own admission authority please check if they require you to complete a supplementary information form, you must complete a supplementary information form and return it to the school directly by Thursday 15 January 2026 but please check details on the individual schools website. You can download a supplementary information form from the school's website.

Primary school starting age

Children who live in the borough permanently and were born between 1 September 2021 and 31 August 2022 are eligible to start Reception full-time in September 2026.

If your child has an Education Health Care Plan

Children with an education health care plan (EHCP) need to follow a different admissions process.

For more information, contact the **Special Educational Needs Team** on **020 8314 6303**.

How do I apply?

Apply online for admission to primary schools at www.eadmissions.org.uk

The benefits of applying online are:

- it only takes a few minutes
- you will get an email confirmation saying your application has been received
- the system helps you by checking for errors
- there is no risk that your application will get lost in the post or arrive late
- you can change your preferences of school up until the closing date
- your details are held securely

After you submit your application, you will get a reference number that will be similar to this: 209-2026-09-E-002009.

If you do not get a number, your application has **not** been submitted.

On the evening of 16 April 2026, you will get an email saying where your child has been offered a place.

Important dates

What	When
Applications open (apply online at www.eadmissions.org.uk)	Monday 1 September 2025
Primary events	11,12,25 and 26 November 2025, location tbc
Closing date for applications	Thursday 15 January 2026 at 11.59pm (we recommend you submit your application by Wednesday 7 January 2026)
Closing date for supplementary information forms (if needed) – to be returned to the school directly	Thursday 15 January 2026
Closing date for 'late for good reason' applications and those who have changed address since 15 January 2026	Monday 9 February 2026
If you applied online, you will get an email on the evening of 16 April 2026	
Deadline for accepting your offer	Thursday 30 April 2026
If you applied online, you must accept the offer online via www.eadmissions.org.uk . If you filled in a paper application, you should return the acceptance slip to us by email to primaryadmissions@lewisham.gov.uk	
Appeals	
Closing date for lodging an appeal for a community school	19 May 2026
Admissions authorities of other schools may set the same or a later deadline.	
If you submit an appeal after Friday 19 May 2026, it may not be heard until the start of the academic year in September 2026.	

Deciding which primary schools to apply for

Primary school starting age

Children who live in the borough permanently and were born between 1 September 2021 and 31 August 2022 are eligible to start Reception full-time in September 2026.

Deciding which primary schools to apply for

You can apply for up to six mainstream state primary schools, which can be in or outside the Lewisham borough. As it is not always possible to offer every child a place at one of their preferred schools, we recommend researching a range of schools, including those closest to your home address, before submitting your application.

Most schools in the borough will be oversubscribed, so we recommend you look at your nearest schools (both faith and non-faith schools). We also advise you to use all six preferences and not restrict your application. A list of the primary schools in the borough, including contact details, age ranges, and number of places available, starts at page 27.

To find out more about primary schools in the borough and see which are nearest to your home, visit lewisham.gov.uk/primaryschools.

Visiting schools

Before deciding which schools you want to apply for, you should visit the school to meet the staff, see the facilities, and opportunities. Please contact schools directly to arrange your visit.

Admissions criteria

When a school is oversubscribed – meaning they get more applications than there are places available – the school's admissions criteria are applied to decide which children qualify for a place. It is important that you read the admissions criteria for the schools you want to apply for, to see if your child is likely to qualify for a place.

Most primary schools in Lewisham and neighbouring boroughs are expected to receive more applications than there are places available. Limiting the number of schools you list on your application can limit the chance of your child getting an offer from one of your preferred schools.

Do not include fee-paying (independent) schools or special needs schools on your application, as they have a separate application process.

Crown servants

Families of UK service personnel or Crown Servants returning from overseas to live in the borough can apply for a school place, while their child does not live in the borough.

When you apply, you must also submit an official letter from the relevant government department that says the relocation date and/or unit postal address, quartering area address, or family home address. You should give us your relocation address so we can allocate places fairly and in accordance with the school's admissions criteria.

You must tell us about any changes to your planned address during the application process. If you can't provide confirmation of a relocation address, we will not be able to process your application. If you do not qualify under this criterion, do not tick this box on the application form, as it may delay your application being processed.

Lewisham has a military covenant that enhances services offered by the Council to ex / serving military and their extended families, all applications for school places for the children of full-time service personnel are prioritised under the 'exceptional medical or social' criterion under for Lewisham's community school.

Applicants from overseas

If you have recently moved to Lewisham from overseas, please see lewisham.gov.uk/myservices/education/schools/school-admission/applications-from-overseas

If you have recently moved to Lewisham from overseas, please see lewisham.gov.uk/myservices/education/schools/school-admission

Usually, children arriving from overseas have the right to attend schools in England. Schools will not refuse to admit a child because of their nationality or immigration status, nor remove them from a roll. However, it is the parents' responsibility to ensure that their children have an immigration status that allows them to enter the UK to access a state-funded school.

Parents are therefore advised to ensure that their children have the appropriate right to access a state-funded school before applying for a school place for their children at any community and academy schools in the London Borough of Lewisham.

For further information, please read: [School applications for foreign national children and children resident outside England - GOV.UK](https://www.gov.uk/school-applications-for-foreign-national-children)

If you are moving to the UK or have moved to the UK from overseas, you must check that you have either:

right of abode (you're allowed to live or work in the UK without any immigration restrictions),

or

Certificate of Entitlement that the conditions of your immigration status otherwise allow you to access a state-funded school.

Admissions criteria for Lewisham community schools

Admissions criteria are applied when the school receives more applications than there are places available. Community schools in the borough use the same admissions criteria (see below). Voluntary-aided schools, foundation schools, free schools, and academies have their own criteria for deciding which children to admit. You can find the full admissions policy, annual intake, and other information about each of the schools in the borough on the school's website. See page 27 for contact details of primary schools in the borough.

Admissions policy for Lewisham community schools

For the exact legal wording of the criteria, read our determined admissions policy at <https://lewisham.gov.uk/myservices/education/schools/school-admission/applying-to-start-primary-school/admission-criteria-for-primary-schools>

When a community school in the borough is oversubscribed for the Reception class in September 2026, we will use the following criteria and offer places to:

1. Looked after children

We will offer places to looked-after children, or children who were previously looked after but, immediately after being looked after, became subject to an adoption order, child arrangements or a special guardianship order.

A looked-after child is a child who is:

- in the care of a local authority, or
- being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).

Confirmation of a child's looked-after status must be supplied by the allocated social worker or foster carer with the application, along with a copy of the adoption order, care order or special guardianship order.

Details must be supplied by the allocated social worker or foster carer. The 2021 School Admissions Code (the Code) requires children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted to be given equal first priority in admission arrangements, alongside looked after children (LAC) and children who were

previously looked after by English local authorities (PLAC). This advice refers to these children as internationally adopted previously looked after children – “IAPLAC”.

2. Medical or social need

In exceptional circumstances there is discretion to admit children on the grounds of their or their family’s severe medical or social need for that school and who would not otherwise qualify for admission.

The application must be supported by a letter from a hospital consultant, social worker or similar professional, setting out the reasons why the school is the only one to meet the child’s needs, before an admission decision is made.

The admission decision will be considered in consultation with a panel of teaching and medical professionals. Medical professionals provide advice on applications made under medical conditions and teaching professionals advise on applications made for social or special reasons. Supporting evidence must be provided before the closing date for applications.

Lewisham has a military covenant that enhances services offered by the Council to ex / serving military and their extended families, all applications for school places for the children of full-time service personnel are prioritised under the 'exceptional medical or social' criterion under for Lewisham’s community school. If the child is in Key Stage 1, where infant class size legislation applies, the child can be placed as an 'exception' as detailed in the School Admissions Code.

3. Siblings

We will offer places to children whose brother or sister attends the school on the closing date for applications and will still be attending the school at the intended date of admission (or the junior school in the case of separate infant and junior schools, this applies to: Stillness Infant and Junior Schools).

The younger child does not qualify for sibling priority if their older sibling will have transferred from Year 6 to secondary school by the time the younger child is admitted.

Who is a sibling?

Siblings must all live at the same address as the child applying. You may need to provide proof of the sibling relationship. Siblings include:

- all blood and adoptive siblings
- half-siblings
- foster siblings of looked-after children
- stepsiblings

Children whose brother or sister is on roll of the school on the closing date for applications and is expected to be on the roll of the school (or of the junior school in the case of separate infant and junior schools*), at the intended date of admission.

Children in Year 6 who will have transferred to secondary school by the time the younger child is admitted do not confer sibling priority.

If the school is over-subscribed entirely with siblings, priority on the waiting list will be given to:

- i) children of staff
 - ii) those who are permanently living nearest to the school (see 4)
- * this applies to children attending Stillness Infant and Junior Schools.

4. Children of staff

Priority to children of staff will be given only where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5. Distance to school

Remaining places will be measured to a central nodal point in the school premises, using digitised mapping software of the area, from a nodal point in the applicant's permanent home address. If more than one applicant lives in a multi-occupancy building (e.g. flats), priority will be given to the applicant whose door number is the lowest numerically and/or alphabetically.

Twins, triplets and other multiple births

Where twins, triplets or children from other multiple births qualify for the last school place to be allocated, we will admit all of the qualifying siblings in excess of the published admissions limit, and they will be considered as 'excepted pupils'.

Tie break

On the rare occasion where two or more identical applications qualify for the last available place, lots will be drawn to decide which qualifying child is offered the place.

Where one or more applicants live exactly the same distance from the school applied for and all would qualify for the last available place, the allocation of the last place will be made by drawing lots.

This will be done in the presence of two from the following list: a Headteacher from a different school, Lewisham's independent Clerk, A Lewisham Cllr. The two present will sign the results to validate that the process has been used correctly; this will be kept for 2 years from the date of the lot drawing.

The first child drawn will be offered the place; the names of the children who were unsuccessful will be added to the waiting list, in accordance with the published admission criteria, in the same way as for other children.

Waiting lists

In accordance with the pan London agreement, and to ensure Lewisham meets its duty to continue to co-ordinate admissions beyond offer date and comply with the parents' highest possible preference, Lewisham will ensure that waiting lists do not contain lower ranked preferences except where it (or the home LA) has agreed to a parental request to change the order of preferences.

In such cases, where there is a parental request to change the order of preferences, the original application, including any offer made under coordination, will be withdrawn, and the applicant will be required to reapply.

Waiting lists for Lewisham's community schools will include those who have moved to the area and were unable to make an 'ontime' application.

The reception coordinated scheme continues until the end of the summer term 2026. Applications received for reception class beyond the end of the summer term 2026 will be considered as an In-Year applicant. Waiting lists will be held for the first term of the reception year only.

Waiting lists will be held for the first term of the reception year only (until the end of December 2026). If you wish to remain on the waiting list after this date, you should email the admissions team on primaryadmissions@lewisham.gov.uk.

How to apply

You need to apply online at www.eadmissions.org.uk

Lewisham proof of parental responsibility and address protocol

The person completing the application must be the child's parent, adoptive parents, or the person with legal parental responsibility. We cannot accept applications from a grandparent or other family member unless they have legal parental responsibility.

All applicants will be required to demonstrate that the address they are applying from is their permanent home address and that they have parental responsibility and are therefore eligible to apply for a school place for the child.

Documents required:

We will ask the parent or carer who makes the application to provide:

- one document confirming parent/carer's address - Section A
- one document confirming their child's date of birth - Section B

If you can't provide one of these documents, contact us for advice.

Confirming your address - Section A

You must provide one document from Section A when applying:

Section A (all documents must be current)

- council tax statement or letter
- tenancy agreement or solicitors' letter
- letter from the National Asylum Support Service (NASS) or UK Border Authority (UKBA)
- a letter from any other local or national housing organisation (on headed paper)
- proof of house purchase - only a solicitor's completion document will be accepted
- we do not accept exchange documents

Permanent home address

Proof of permanent home address will be required and will include the current council tax statement. We may also require copies of utility bills.

We are aware that some parents may rent a property close to a popular school to increase the likelihood of their child gaining admission.

To establish an applicant's permanent rather than temporary home address, the following will be required:

- closing accounts for the last known address
- official confirmation of the end of tenancy or house sale for the last known address
- a tenancy agreement via a commercial letting agency for a period of 12 months or more. The period of the tenancy must extend beyond the start of the academic year in which the child is due to be admitted, or
- Solicitor's confirmation of the completion of the purchase of the new property

Where the tenancy or ownership of the last known address has not been surrendered, Lewisham will accept this last known address as the permanent home address.

In establishing a permanent home address, we may also check records held within the Council as well as other external agencies. If a false address has been given and an offer made on the basis of that information, the offer of a place may be withdrawn.

Confirming child's date of birth - Section B

Section B (all documents must be current)

- Passport
- EU national identity card
- prescription or medical letter with the child's name and date of birth printed on it
- letter signed by social services if child is a looked after child (must state the child and carer's name and address)
- any other legal document which has your child's name and date of birth on it

If applicant is living with a family member or friend, they need to provide all of the following:

- a letter from the family member or friend stating that you and your child reside with them at the address listed on the application
- a copy of their current council tax bill
- Driver's license or NHS registration letter/card or bank statement addressed to you at the address on the application

If you are not the child's parent

If you are applying for a school place but are not the child's parent, you need to include a letter explaining what your relationship is to the child and why you are applying instead of the parent. You must also provide a legal document verified in the UK to prove you have parental responsibility.

Children whose parents don't live together

We are aware that some parents share the care of their child equally. We will normally accept that the child lives with the parent who has parental responsibility and resides with them for the majority of the time during term time.

Documentary evidence, for example, a residence order or other court order, may be required as it may affect your child's application.

Shared parental responsibility

You can only submit one application for a child. If a child has parents who share parental responsibility and the child spends equal time with each of them, the parents need to decide which of them will make an application for the child. If both parents submit an application and can't agree whose application is valid, we will cancel both applications until we can establish where the child is formally registered or until a court issues an order.

Stepparents, grandparents or other relatives do not have automatic right to claim parental responsibility. This should be acquired through a legal agreement or court order. For further information, visit www.gov.uk/parental-rights-responsibilities

You can find a step-by-step guide to applying online at lewisham.gov.uk/primaryadmissions.

There is also an eAdmissions tutorial and FAQ, which you can access before you register onto the online system.

When you start your application, the system will automatically identify your local council from your postcode. Once you submit your application, your local council will get an electronic copy. Make sure your home address and postcode are correct.

If your address isn't recognised

If your address is not recognised by the eAdmissions website, or you live in a new development, call us on 020 8314 8282 or email primaryschooladmissions@lewisham.gov.uk.

Submitting your application

Once you have completed your application, you need to submit it.

Before you submit your application:

- make sure all the information is correct, including your home address and contact details

- read the declaration carefully
- scan and upload your proof of permanent home address and child's date of birth

Do not send original documents to us, as we are a paperless office and we do not have the resources to return them.

Supplementary information forms for primary schools

If you are applying under the religious criteria for a place at a faith school or a school which is its own admission authority please check if they require you to complete a supplementary information form, you must complete a supplementary information form and return it to the school directly by Thursday 15 January 2026 but please check details on the individual schools website. You can download a supplementary information form from the school's website.

Each of these schools requires you to complete a supplementary information form. Please check the individual websites for further information and the forms:

Delaying when your child starts primary school

If your child is born in summer (between 1 April and 31 August), you can request that your child is admitted to the Reception class the following academic year and be educated 'out of cohort'. The implications of applying early or delaying a school place.

You must consider the implications of starting Reception early or late. Headteachers of primary schools are not required to continue to keep the child out of year group. This means they may decide to later educate your child in the correct year.

Applying for early admission

In very exceptional circumstances, we will consider a request for early admission to Reception for children born after 31 August.

In your application, you can include a supporting letter from the headteacher of your child's nursery or early years setting, or an educational psychologist providing evidence that your child is academically outstanding and sufficiently physically and emotionally mature to cope with the demands of primary school.

Applying for delayed admission

If your child is born in summer (between 1 April and 31 August), you can request that your child be admitted to the Reception class the following academic year and be educated 'out of cohort'. You need to apply for delayed admission and include information detailing why a delayed admission is in your child's best interests. We will decide whether or not to agree to your request for delayed admission to community schools in the borough.

For faith schools, free schools, foundation schools, academies, and schools outside the borough, the decision is made by the governing body of the school. Please note that parents will have to self-fund a place at nursery, once a child is no longer eligible for early year's entitlement, if they choose to delay school entry, and the child has no EHCP.

If you have any queries relating to self-funding a place at nursery, please contact: The Early Entitlement Team, London Borough of Lewisham, Early Years Quality and Sufficiency Service, 2nd Floor Laurence House SE6 4RU.
Tel: 020 8314 6756; Email: entitlement@lewisham.gov.uk

You must consider the implications of a delayed admission. Headteachers of primary (and secondary) schools are not required to continue to keep your child out of the year group. This means they may later decide to educate your child in the correct year.

You can find guidance about applying for delayed admission and the application form at lewisham.gov.uk/summerborn

Once all applications have been received by the agreed date, a meeting of Lewisham's Out of Cohort Panel (which is a panel of education specialists) will convene to discuss the requests.

How the preference system works

When you apply for primary school places, you can put up to six schools on your application. You need to list the schools in preference order.

Your chance of being offered a school you have applied for will not increase if you apply for fewer schools.

It is very important to list the schools in the order you would prefer your child to go. We will use your preferences to allocate school places.

How preferences work

You are offered one school place on National Offer Day. If your child qualifies for a place at more than one school on your list, we will offer you a place at the school that comes highest on your list of possible offers.

If we can't offer you a place at one of the schools you applied for, we will offer you a place at a school; this will normally be the closest school to your home address with a vacancy. This may be a faith or non-faith school.

Examples of the preference system

- Child A has applied to six schools. The child does not qualify for a place at the first or second preference school but does qualify for a place at their third preference school. The third preference school is offered to the child on National Offer Day. The fourth, fifth, and sixth preference schools are 'withdrawn' as they were ranked lower on the list. The child will stay on the waiting list of their first and second preference schools, and they will get the right of appeal.
- Child B has applied to six schools. The schools are oversubscribed, and the child does not qualify for a place at any of them. We tell the parent about the outcome and their right of appeal. We offer a place at a school in Lewisham where there is a vacancy as an alternative. The child stays on the waiting lists for their preferred schools.
- Child C has applied for six schools and can be offered a place at their first preference school on National Offer Day. All the other schools named on the list are 'withdrawn'. The child has an older brother at their third preference school, and after National Offer Day, the parent wants the child to go to that school instead. The parent will need to contact the admissions team and request that

Child C is placed on the waiting list of the lower preference school. To reinstate a lower school preference, you'll need to complete a Lower Preference Form. Please note that this does not guarantee a place at the school where your child's sibling attends. Your child will be added back to the waiting list for that school, and their position will be based on the school's admissions criteria.

- Child D has applied for six schools, all outside the borough, but does not qualify for a place at any of them. We offer the parent a place at a school where there is a vacancy and tell them about their right to appeal. However, the parent wants their child to go to a school close to their home, which they hadn't applied for. The school is oversubscribed and has not been able to offer all applicants a place. The parent can contact the admissions team and ask for Child D to be added to the waiting list. To add an additional school to your existing application, an additional preference form will need to be completed. Please note that this does not guarantee a place at the school where your child's sibling attends. Your child will be added back to the waiting list for that school, and their position will be based on the school's admissions criteria.

Last year's application and appeal rates

This table shows how places were allocated on 16 April 2025 under each admissions criterion. These 2025 application and appeal numbers are for guidance only. Figures for September 2026 may differ.

For the distance criterion, we measured distances electronically in metres using a straight line from the applicant's home to a central point within the school premises.

For precise home-to-school measurements for schools in other councils, contact that council directly.

For September 2025 admissions, all distances were measured in metres using a straight line to a point in the school premises as determined by the Ordinance Survey.

Applying for a Reception place after the closing date

Missed the closing date

You should call us if you miss the closing date for applying (15 January 2026). You can tell us your reasons, and we will discuss how we might be able to help with your application.

If you move into the borough, or miss the closing date for a good reason

You can make a 'late for good reason' application if you move into the borough after the closing date or if there is another good reason why you missed the closing date.

The closing date for 'late for good reason' applications is 9 February 2026. You must include evidence of why your application is late, such as evidence of a house move or a medical reason that stopped you from applying on time.

All other applications made after 15 January 2026 will not be processed until June 2026.

If you move before 9 February 2026

If you submitted your application on time and you move home before 9 February 2026, you should contact us. We will withdraw your original application, and you can make a new application from your new home address. If you move outside Lewisham, you need to contact your new local council.

If you move after 9 February and before 16 April 2026

If you move home after 9 February 2026, your application will still be based on your original home address. We will honour any school place we have offered you. If you accept the place, you need to make sure your child attends school regularly and on time.

If you move between 16 April 2026 and the start of term in September 2026

If you move home after you have accepted an offer, we will honour the place. You must make sure the journey is reasonable and that your child always arrives at school and is picked up on time.

If you no longer need a school place in the borough, you should let us know in writing. You need to explain why you no longer need the place, so we can close the application and offer the place to another child.

Accepting or declining your offer

If you applied online, you must log into your account to accept or decline the offer, so it is important to keep a record of your username and password. If we have been able to offer your child a place at your first preference school, we will assume that you wish to accept this offer.

Therefore, you will not need to log back into your account to accept the place. The school offered will be notified and will contact you to provide further information about the arrangements for the admission of your child to the school.

If you weren't offered your higher preferences, you will automatically be added to the waiting list for any schools you named as a higher preference than the school offered.

You can read details of what you can do if your child was not offered your first preference on the eAdmissions website www.eadmissions.org.uk.

If you are not offered one of your preferences

If your child has not been offered a place at any of the schools you applied for, we will offer you a place at the closest school in the borough to your home address that still has a vacancy. This may be a faith or non-faith school, or a school outside your family's neighbourhood.

There is no limit on how far a place can be offered; however, we aim to offer a place within two miles of the child's home, or 45 minutes travel each way, from your home address to the school.

You will automatically be added to the waiting lists for the schools you applied to.

We encourage you to accept the school offered, as we cannot guarantee that one of your preference schools will offer you a place later in the process. Accepting the offer will not affect any waiting list your child's name is on or any admissions appeal.

You should contact the school and speak to the headteacher about the opportunities available to your child. Headteachers will be delighted to assure you that your child can excel there.

Further information

You can get advice and information from the Department for Education (DfE) about a wide range of school-related issues, including the School Admissions Code and School Admissions Appeals Codes at www.gov.uk/government/collections/statutory-guidance-schools#admissions

Appeals

You have the right to appeal against a decision not to offer you a place at a school you applied for. If you want to appeal, you must contact the admission authority for the school in the days after you receive your offer.

The closing date for lodging an admissions appeal for a Lewisham community school is **Tuesday 19 May 2026**.

To get advice on the appeals process for community schools in the borough, call the independent appeals clerk, on 020 8314 8577 or email schooladmissionappeals@lewisham.gov.uk.

You should contact the school directly if you have been refused a place by:

- an academy
- a faith school
- a school outside the borough

Appealing online

You can appeal online at lewisham.gov.uk/appealsprimary.

You need to log into the website. If you don't have an account, you need to register first. The form takes about 20 minutes to complete, depending on the nature of your appeal.

Get independent advice

For independent advice, you can contact Coram Children's Legal Centre. For further information, visit coram.org.uk/what-we-do/our-work-and-impact/coram-childrens-legal-centre

Timetable of appeals	
Date	Event
Thursday 16 April 2026	You get an offer for starting school for September 2026
Tuesday 19 May 2026	Deadline for making an appeal for community schools in the borough
*May-July 2026	Appeal hearings for community schools in the borough

*these are subject to change

We encourage you to accept the school offered, because we can't guarantee you will get a place at your preferred school if you appeal.

Children and young people with special educational needs and disabilities

Most children and young people with special educational needs and disabilities can get the support they need in mainstream schools. However, some children require additional support through an Education, Health and Care Plan (EHCP). There is a separate application process for children with an EHCP.

There are seven mainstream primary schools in the borough that offer specialist resource provision. Each resource has its own admissions criteria based on the primary need. The schools with a specialist resource are:

Primary school	Primary need
Athelney Primary School	Autism
Coopers Lane Primary School	Hearing Impairment Unit
Forster Park Primary School	ASD base
Edmund Waller Primary School	ASD base
Kelvin Grove Primary School	Autism
Perrymount Primary School	Physical
Rushey Green Primary School	Hearing Impairment Unit
Tidemill Academy	Speech, Language and Communication Needs
Torridon Primary School	Autism

Transferring from an infant to junior school in Lewisham

Parents and carers who have a child attending Stillness Infants School in Year 2 and wish their child to attend Stillness Junior School in Year 3 for September 2026, must complete and submit a transfer to Junior School form, via their home Local Authority, by **15 January 2026**.

If you do not make an application, your child will not be considered for a place in Stillness Junior school in Year 3.

Alternatively, if you have a child in a Lewisham school and wish them to attend a different either in or out of the borough, you must also submit a junior application.

You must apply online at www.eadmissions.org.uk.

The closing date for applying is **15 January 2026**.

On the application form you can list a maximum of three schools including any outside of Lewisham. You should list the schools in preference order.

The benefits of applying online are:

- it only takes a few minutes
- you will get an email confirmation saying your application has been received
- the system helps you by checking for errors
- there is no risk that your application will get lost in the post or arrive late
- you can change your preferences of school up until the closing date
- your details are held securely

After you submit your application, you will get a reference number that will be similar to 209-2026-09-E-000000.

On the evening of **16 April 2026**, you will get an email saying where your child has been offered a place.

If you have been offered a school place, you must accept or decline it by logging onto your eAdmissions account. Make sure you keep your login details safe once you have submitted your application.

If you apply for schools outside the borough, these will be forwarded to the respective local council and will be considered in accordance with the relevant admissions criteria for the school.
