

Sustainable Streets

Consultation programme

Consultation programme

We are committed to consulting on all areas across the London Borough of Lewisham for controlled parking and Sustainable Street measures, along with reviewing all existing Controlled Parking Zones (CPZ) in operation. Where new zones are introduced or existing zones changed, we aim to review these 6-12 months after implementation for further feedback.

- Existing CPZ Zones
- Stage One consultation complete, Stage Two consultation to be confirmed
- Stage One and Two consultation complete
